Why Ampli5?

Campaign Budget

We understand your business model better than your competitors do.

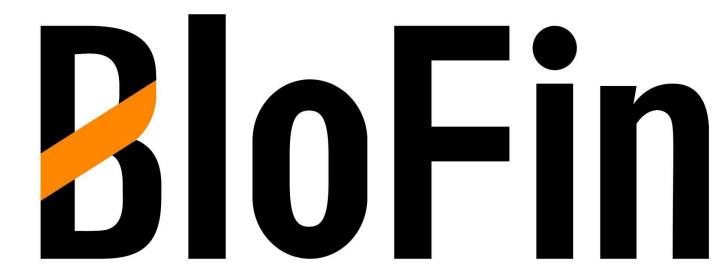

\$100M in trading volume = \$40–50K in maker/taker fees + a little cherry from liquidations 🍒.

We focus on ROI-mediums like -

Statistics

Your premiere KOL & PR agency for perp dexes & cexes in crypto

Our Areas of Expertise

Your premiere KOL & PR agency for perp dexes & cexes in crypto

Cost for generating volume

180\$

per 1M Volume

18,000\$

per 100M Volume

Our Business Model

- * \$18K for \$100M in volume
- * 33% upfront (only for new partners)
- * 17% after \$25M
- * 25% after \$50M
- * 25% after \$100M
- * If we hit between \$75M–\$99M, we bill 85% of the total

We work strictly on a sub-affiliate model.

We take 60–65% of the trading fee, and offer KOLs 10% less than your direct affiliate payout.

Organic Posting T&Cs

- ◆ There will be an editorial review to approve the piece. Topic can be rejected at the discretion of the editors if the story doesn't appeal to them. Personally, based on our understanding of the topic, we are confident about approval.
- ◆ The publications' editors may make changes to the piece before publication. Expected timeline for publication is within a week of submission.
- ◆ Payments are made in advance. Cancellation/modification window will be between your payments to us and your final approval of our draft. No room for cancellation once story is approved by the publication.
